ABATE of Florida, Inc.

WHAT IS ABATE? 3

WHO WE ARE

We are a non-profit organization of motorcycle enthusiasts from all walks of life. We lobby and educate the government and the general public to promote motorcycling in a safe and positive image. We endeavor to enlist the cooperation and participation of all organizations and individuals that share a similar interest in preserving our American tradition of FREEDOM. We promote motorcycle safety, training, & political awareness. We ARE NOT A CLUB OR A GANG. We fund our work through toy runs, poker runs, campouts, and other motorcycle activities. We are your neighbors & friends who work, pay taxes, and get involved with our community. We serve and support our country and believe in freedom. We use all legal means to protect our rights without infringing on the rights of others.

OUR GOALS

To become a powerful and viable political force in legislative matters concerning the motorcyclist.

To promote the safe riding habits without infringing on individual freedoms.

To motivate the bikers to write letters to their legislators before, during, and after the legislative session.

To furnish our members with a newsletter to keep all bikers informed in regards to up-coming legislation.

It is imperative that drivers understand the proper and safest way to share the road with motorcycle riders. Recognizing the need, ABATE of Florida, Inc. created the "Motorcycle Safety Awareness Program" to educate the public and help prevent fatalities and crashes and to help save lives. Also know as MSAP, it was developed and copyrighted by ABATE Of Florida, Inc .

Abate of Florida, Inc.'s commitment is strong and we continued to improve the program and expand our reach. With now more than 900,000 motorcyclists coming in and out of the State of Florida the need to reach more of the driving public is even greater.

Trained members of local ABATE chapters, from the Panhandle to the Keys present the MSAP program and provide valuable insight and information necessary to make the roads safer for everyone. We are continuing our efforts to develop more outlets. We are united in our efforts to teach everyone to "Watch for Motorcycles".

ABATE of Florida, Inc. and your local ABATE chapter offer the Motorcycle Safety Awareness Program to any organization or school free of charge. For more information or to arrange for a presentation, please call the state office 386-943-9610 or your local Chapter, Estero River 239-825-5848

Hello Brothers and Sisters

Well the month of November has past. What a great month! The weather is getting cooler and our ABATE events are starting up. Pilgrim's Pride was great, A beautiful day for the ride, the food was great and we made over $600.00 for the kids Xmas party. My thanks to everyone that supported us and the people that missed it missed a lot of fun.

December is coming and a lot of things are going on Birthday Bash on the 3rd,board meeting on the 9th chapter meeting on the 11th.Then on the 17th the XMas party for our kids and then comes Xmas it's self. What a great month!

The board sure could use your help on the events coming up. We have a lot of things that need to get done and we sure could use your help.

SGT @ ARMS

Hello everybody,

Another month has gone by and Pilgrim's Pride was a great success and fun was had by all. We raised a good amount of money for the Christmas Party for the children, so thanks to every one who donated to this day. I want to also thank everyone who helped set up and take down for the event and donated food. I also got a small taste of what the Quartermaster goes through and Dave Rimes deserves a pat on the back for doing it for so long because it is a hard and unappreciated job. So thanks Dave for all your hard work.
We have a lot of upcoming events in the next couple of month and I hope to see everyone there. A lot of our snowbird friends are coming back so just remind them that they are always welcome to our events.

Have a safe ride.

LEGISLATIVE REPORT-NOVEMBER 2011

2012 BILLS OF INTEREST

These Bills are not Officially supported or opposed by ABATE of Florida, Inc. Only State Delegates can choose which Bills we will support or oppose by a majority vote at the State Delegates meetings. These Bills are just some that may be of interest.

HJR 21/SJR 190

Term Limits/Terms of State Senators & State Representatives: Proposes amendments to State Constitution to increase length of terms of state senators to 6 years, state representatives to 4 years & limit state senators & representatives to 12 consecutive years in office. Currently in House Government Operations Subcommittee and Senate Rules Subcommittee on Ethics and Elections.

HB 31/SB 632

Funerals, Burials and Memorial Services: Prohibits picketing or engaging in other protest activities within specified distance of property line of location of funeral, burial or memorial service for certain persons. Currently in House Criminal Justice Subcommittee, Senate Regulated Industries.

HB 159/SB 244

Motor Vehicles: Cites this act as the "Highway Safety Act;" providing legislative intent relating to road rage and aggressive careless driving; requiring an operator of a motor vehicle to yield the left lane when being overtaken on a multilane highway; revising the number of specified acts necessary to quality as an aggressive careless driver; providing specified punishments for aggressive careless driving, including imposition of an increased fine; providing that a second or subsequent infraction as an aggressive careless driver requires attendance at a mandatory hearing; requiring the Department of Highway Safety and Motor Vehicles to provide information about the Highway Safety Act in driver's license educational material, etc. Currently in House Insurance and Banking Subcommittee and Senate Transportation.

HB 4013/SB 238

Florida Renewable Fuel Standard Act: Repealing the Florida Renewable Fuel Standard Act, to remove the requirement that all gasoline offered for sale in this state include a percentage of ethanol, subject to specified exemptions, waivers, suspensions, extensions, enforcement , and reporting; conforming a cross-reference, etc. Currently in House Energy and Utilities Subcommittee and Passed Senate Communications, Energy, and Public Utilities 10-1 on 11/2/11.

HB 4015/SB 248

Privacy of Firearm Owners: Repeals provisions relating to medical privacy concerning firearms: deletes provisions providing that unless information is relevant to patient's medical care or safety, or safety of others; inquiries regarding firearm ownership or possession should not be made by licensed health care providers or health care facilities, that patient may decline to provide information regarding ownership or possession of firearms, clarifying that physician's authority to choose his or her patients is not altered by act, prohibiting discrimination by licensed health care providers or health care facilities based solely upon patient's firearm ownership or possession, & prohibiting harassment of patient regarding firearm ownership during an examination by licensed health care provider or health care facility. Currently in House Criminal Justice Subcommittee and Senate Criminal Justice.

HB 359/SB 552

Ethics: Defining the term "special private gain or loss"; prohibiting a member of the Legislature from voting upon or participating in any legislation inuring to the personal gain or loss of the member or his or her relative; prohibiting a member of the Legislature from participating in any legislation inuring to the personal gain or loss of a business associate, employer, board on which the member sits, principal by whom the member is retained, or parent corporation or subsidiary of such principal; requiring that members of the Legislature vote on the General Appropriations Act and disclose conflicts of interest with any line-item appropriation, etc. Currently in House Government Operations Subcommittee and Senate Governmental Oversight and Accountability.

HB 299/SB 416

Use of Wireless Communications Devices While Driving: Creating the "Florida Ban on Texting While Driving Law"; prohibiting the operation of a motor vehicle while using a wireless communications device for certain purposes; specifying information that is admissible as evidence of a violation; providing penalties; providing for enforcement as a secondary action; providing for points to be assessed against a driver's license for the unlawful use of a wireless communications devise resulting is a crash, etc. Currently in House Transportation and Highway Safety Subcommittee and Senate Transportation.

Rep. Irv Slosberg, whose daughter died in a car crash several years ago, has made road safety his main cause in the Legislature. He urged and chastised the House Transportation and Highway Safety Subcommittee on 11/15/11 to get behind a ban on texting while driving. During a workshop for the Department of Highway Safety and Motor Vehicles, Slosberg repeatedly asked why the bill as currently drafted didn't include such a ban. "Why aren't we discussing distracted driving, particularly texting and driving when 35 states have laws against it?" asked the Boca Raton Democrat, who is the ranking minority member of the committee and has focused largely on seat belt laws and other highway safety legislation during much of his career.

HM 57 (Rep. Caldwell)

Sovereignty of the State: Urges Congress to discontinue its practice of imposing federal mandates & legislation upon state which exceed scope of its constitutionally delegated powers under the Tenth Amendment to U.S. Constitution & to repeal all existing compulsory federal legislation that directs states to comply or requires states to pass specific legislation in order not to lose federal funding. *Note: This could be HUGE for us, one way to implement a National Helmet Law is to withhold Federal funding to the States if they don't' comply. The Feds could also require the State to have Motorcycle Only Check points or else lose funding.*

HR 822

National Right-to-Carry Reciprocity Act of 2011: Amends the federal criminal code to authorize a person who is carrying a government-issued photographic identification document and a valid permit to carry a concealed firearm in one state, and who is not prohibited from possessing, transporting, shipping, or receiving a firearm under federal law, to carry a concealed handgun (other than a machine gun or destructive device) in another state in accordance with the restrictions of that state. This bill passed the US House by a vote of 19-6 on November 16, 2011.

Estero River Chapter

PIP IN HOUSE INSURANCE AND BANKING: The House Insurance and Banking Committee begins its work on what is expected to be one of the major insurance issues for the coming year, taking up a draft proposed committee substitute for HB 118, dealing with Personal Injury Protection Insurance.

PIP IN SENATE BANKING AND INSURANCE: The Senate Banking and Insurance Committee discuss personal injury protection auto insurance, and will hear testimony from stakeholders. The PIP system, no-fault insurance that covers medical costs, is widely thought to be rife with fraud and in need of reform. Lawmakers have said they intend to do that this coming year, though so far, no wide-reaching PIP overhaul bill has been filed.

ROAD RAGE BILL IN SENATE TRANSPORTATION: Bills dealing with driving without a license (SB 474), motor fuel (SB 476) and a license plate bill (SB 528) are before the Senate Transportation Committee. The most watched bill is likely the measure (SB 244) by Sen. Mike Bennett that tries to get slow drivers out of the left lane. The measure was on the agenda 2 weeks ago but postponed.

IN OTHER NEWS

The Senate Transportation Committee approved a bill to crack down on abuse of disabled parking permits (SB 226) and one that makes it a second-degree felony to leave the scene of a car crash when someone is injured (SB 286).

Gov. Rick Scott suggested that he would be open to revisiting a Cabinet vote doing away with the automatic restoration of rights for felons.

The ever-controversial issue of school prayer passed 4-1 on 11/2/11 in the Senate Ed Pre-K-12 Committee (SB 98) allowing though not requiring district school boards to adopt resolutions that allow prayers of invocation or benediction at secondary school events as long as they are non-sectarian and non-proselytizing in nature.

The Florida Supreme Court has scheduled oral argument for February on the question of when a car stereo is too loud. A man in the Tampa Bay area who was ticketed for violating the state's law against blasting a car stereo challenged the law, and a district appeals court earlier this year agreed that the law's definition of too loud was too vague. The state is appealing the ruling and the Supreme Court set oral arguments in the case for Feb. 9. The case is State of Florida v. Richard T. Catalano et al. *This will be interesting to watch as it deals with noise limits.*

This is just a brief overview of legislative issues for this session. Hopefully the information provided doesn't bore you to death and you find something of interest. Please let me know if there are any issues or items you would like added or additional information for.

HAPPY HOLIDAYS TO ALL AND BE SAFE!

Pam Cooke, Legislative Trustee-Estero River Chapter ABATE OF FLORIDA, INC. (239) 910-2673

Dear Fellow ABATE Members,

Thinking of the Holidays
and that Perfect Gift ?

Both of us love to ride. And, we ride together as much as possible. Since we started riding together, two years after our marriage in 1974, we have always wondered what the perfect motorcycle would be for the both of us to ride and travel on, together. Every time we thought of it, planned it out, thought of the design, looked in catalogs and magazines, went to dealerships and custom shops, we would then think, "By the time we figure how much something like that would cost, wouldn't it be nice if someone gave us that perfect gift? We wouldn't have to pay for it. It would be ours to keep, forever!"

As the Holiday season is upon us, we think of gifts; giving and receiving. There is no such thing in the natural world as the perfect gift. It may not fit. It may not be the right color. It may seem perfect at first. However, it may eventually wear out; require maintenance that over a period of time will cost more than what the giver paid for it. What we thought we needed may turn out to be more of a curse and a liability than the natural blessing that we first expected.

The only perfect gift given to anyone in this world is the gift that God Himself gave to us about 2,000 years ago. The gift is Jesus!

In order to obtain any gift, we figure it must have value, it must be accepted, and it must be received. When someone offers us "something for nothing," we will evaluate the motive of the giver before accepting it.

Let's look at the last, first. What is God's motive? ***For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life***. - John 3:16

God loves us so much, that He would not want to see any of us perish. What more could anyone ask of any father who truly loves his children?

What about value? …… ***the kingdom of heaven is like unto treasure hid in a field; the which when a man hath found, he hideth, and for joy thereof goeth and selleth all that he hath, and buyeth that field. Again, the kingdom of heaven is like unto a merchant man, seeking goodly pearls:Who, when he had found one pearl of great price, went and sold all that he had, and bought it***. - Matthew 13: 44 - 46

What about acceptance? Will you accept what God did by sending His son? ***For Christ also hath once suffered for sins, the just for the unjust, that he might bring us to God, being put to death in the flesh, but quickened by the Spirit*** - 1 Peter 3:18

Will you now receive Him into your heart? ***That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him shall not be ashamed. For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. For whosoever shall call upon the name of the Lord shall be saved***. - Romans 10: 9 -13

Eventually, everything on this earth (including our motorcyclesL) will pass away. ***Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:*** Matthew 6: 19 - 20

However, the gift of Jesus and eternal life will last forever. Receive Him now and have the most fulfilling Christmas that you could ever imagine!

Please pray this prayer: **"Dear God, the God of Abraham, Isaac, and Jacob, my heavenly Father, I confess that I am a sinner and have been separated from You. I ask forgiveness of my sins. I confess with my mouth that your son Jesus is my savior and died for me. I believe in my heart that You raised Him from the dead. I receive Jesus into my heart and ask Him to become the center of my life. I ask, in the Name of Jesus. Amen."**

Blessings,

Tom and Kathy

Coming Up!

Please begin to look for the fliers of two upcoming events.

- **Biker Bible Café** - will be held in our home on December 2nd, starting at 7:30 PM. This will be our Christmas gathering and all bikers are invited. As we celebrate the greatest gift ever given to man (John 3:16), we will have a fun Chinese-style gift exchange, value under $10.00. You can bring something new , something used, or some "white elephant." There will be lots of seasonal treats to eat and drink!
- On January 22nd, we will host the **13th Annual Lee County Church Crash and Slow Race Championship of the Universe**. The evening before will be the Run for Ribs.
