ABATE of Florida, Inc

**WORKING TO KEEP YOU RIDING SAFE AND FREE**

- \* To publish a newsletter to keep members of ABATE of Florida informed in regards to events concerning motorcycle safety, legislation affecting motorcyclists as well as any other motorcycle news around our state and throughout our country
- \* To become a powerful & viable political force in legislative matters concerning motorcycles, motorcycle safety and all motorcyclists' rights
- \* To promote voter registration, to educate and motivate members to become active in the legislative process
- \* To promote safe motorcycle habits without infringing on the rights of other individuals
- \* To educate the public about motorcycle awareness and promote safe driving habits while sharing the road with motorcyclists
- \* To provide a lobbyist to represent ABATE of Florida, Inc. on the state and national levels

ABATE of Florida, Inc. has developed and copyrighted the Motorcycle Safety and Awareness Program (MSAP). It is a course that is given to non-motorcyclists to educate them on how to safely share the road with motorcyclists. It is taught in local schools and civic organizations at no charge in the hope of reducing motorcycle accidents through education not legislation

ABATE of Florida, Inc. is a statewide, non-profit organization of motorcycle enthusiasts from all walks of life. Our members are carpenters, electricians students, doctors, lawyers, auto mechanics, retirees, teachers and businessmen and women. We promote motorcycle safety, training and awareness. **WE ARE NOT A CLUB OR A GANG.** We fund our work through toy and poker runs, fun rides, camping and other motorcycle related activities. We are your neighbors, co-workers and friends. We work, we pay mortgages and taxes and we are involved with our community. We serve our country and believe in freedom. We use all legal means to protect our rights, without infringing on the rights of others.

ABATE of Florida, Inc. was the driving force behind the changes in Florida's helmet law. Florida motorcyclists can now choose whether or not they want to wear a helmet.

ABATE of Florida, Inc. serves on the advisory board for the Motorcycle Riders Training Program. This is the program that oversees the training sites for motorcyclists. These sites are funded only by the motorcyclists, through monies collected by the motorcycle endorsement on your drivers license and the fees collected at the training sites. ABATE is the organization that got the monies returned to that program, when the state of Florida saw fit to use it for non motorcycling purposes. Also put in legislation that effectively keeps the state from seizing the funds in the future. ABATE acts as your watchdog by monitoring how that money is spent and makes suggestions that can improve the Motorcycle Riders Training Program for all motorcyclists.

Any individual 18 or older interested in motorcycle rights, safety or education, regardless of race, sex or club affiliation. It doesn't matter what or even if you ride, joining ABATE ensures your opinion on motorcycle laws are being heard

# FIRST OUR CHAPTER PRESIDENT 5

Happy Autumn everyone,

As I am writing this our first cold front of the year is moving in and that means cooler riding, earlier sunsets, the seasonal people are coming back, the holiday season is just starting with Halloween just a month away. I am looking forward to riding in the cooler temps though with my bike down most of the summer I dint have to ride in too many hot temps. But it's back up and so hopefully I will be out there riding more.

It has been an interesting month for the chapter. We had our Scavenger Hunt and for the few people that went we had a blast. I am sorry more of you didn't come out. We had some of the best prizes ever donated for the run and we used them all for those who went on the run. Every person won at least 3 things and the winning team won a huge box of prizes. I heard ore comments on what a good time they all had and they all want to do it again. I want to thank all the advertisers who participated and donated prizes. We could not have done it without you. I hope you continue to hang in there with us and keep supporting us because it is appreciated so much. Folks, please go out and support our advertisers as they support us, and tell them that you are with Estero River Chapter so they know that we are supporting them.

Big Karl, Alaska, and I were busy this month doing MSAP Programs in the High Schools. We got in Estero High and South Fort Myers High. Steve "B" Wyatt and I will be going back to South on Oct. 12<sup>th</sup> to do 3 more classes and so that means we will have another 2 people certified for the program. Interested?? Call me. The 5 stare Chapters are working on putting together a 2 weekend workshop to get all those interested trained and certified. Let's get it done folks.

There have been some changes to our Special Families Program this year. We will be having a big Old Fashion Christmas Party for all the children in the chapter whose families are struggling with the economy and need our help this year instead of giving to just one family.

## 6 OUR CHAPTER PRESIDENT (CONT'D)

Please read the update in this newsletter for all the details and please step us and help us out. Even if you are struggling financially there are still ways that you can help that don't cost any money. For those of you who are not working right now this is where we could really use you and volunteering will not only help you but the chapter and lot of needy kids.

Don't forget the Throttleween Party on October 31<sup>st</sup> at the San Carlos Country Club. You all know we throw the best party around and of course Jeff from Hurricane Cycle will be making the SCARIEST SCOOT trophy. There will also be trophies and prizes for costumes too so come out and have a ghoulishly good time with us.

On a final note: I want to ask a favor of everyone. With the holidays coming up and there is so much sadness, depression, heartache, and stress out there. I would like to ask that each one of you find one person in your life that you have an issue with and settle it and forgive that person for whatever you feel they have done to you. It can only make you feel better and right now there are so many other things to worry about and in these hard times we need all the friends we can get.

Thanks everyone. See ya soon.

Till next time

RIDE SAFE, RIDE PROUD, RIDE HAPPY

*Tammy Brickley*

ABATE of Florida, Inc

Hello Estero River

It is a good day in America, first, hopefully everybody is above ground reading this. Second, the power of the people is alive and well.

Bill HR 45 never made it to the floor to be voted on. Both sides of the aisle would not touch this bill knowing the hell they would face from their districts. They tried to sneak this bill in, chalk this one up to democracy in action. Health care reform, it doesn't take a rocket scientist to figure out this is a bad idea. Ask any representative I they have read this bill, they'll probably say no. Let me ask y'all something, would you sign anything you haven't read? It is not a very smart thing to do. Our members and sponsors are obviously smarter that that, that's why this will not work. A government big enough to give you anything you want can take away anything you have (Gerald Ford).

Have we become so pathetic that we need the government to hold our hand on everything. I know I haven't and I'm sure y'all aint either! So when the politicians say they want to help you instead of you helping yourself, ALWAYS be skeptical and remember , if you dine with the devil, bring a long spoon.

Please remember to read my disclaimer below and if you want to discuss anything I write, feel free to call me

## Pilgrim's Pride and Special Families Update

Our Annual Pilgrim's Pride and Special Families run is fast approaching and we are going to need for you to step up and help if we are to make this a success. The Food Drive starts Oct. 1<sup>st</sup> and we need to start getting those barrels full early this year.

Some of the locations for the barrels will be: San Carlos Country Club, Mullock Creek Marina, Hurricane Cycle, and Marv's Pack N Ship. Other locations will be on the website as soon as we know where they are going to be. There are so many people in need this year and I just hope that we can make a small dent in that hunger out there.

The Run this year will be leaving the San Country Club immediately following our Nov. chapter meeting and we will be going east on a scenic ride to some of our favorite spots. From there we will end up back at the Country Club for a full Thanksgiving Dinner prepared by our own members. This is where I need some help. We need donations of traditional Turkey dinner sides, we need donations of turkeys to prepare for the meal and some for donations to needy members for their families, we need the oil to fry the turkeys, and we need volunteers to help fry the turkeys and help set up the meal and to help clean up. Please, please if you can do one small part of this call myself, or any one of the board members to let us know how you can help us help not only the chapter but our chapter's families over Christmas.

Now speaking of Chapters families we have decided to change up how we are going to help a family this year. Since the economy is so bad and there are so many members out of work and struggling just to pay their everyday bills we have decide that we want to help everyone. This is the plan: there will be a Christmas Party on December 12<sup>th</sup> at Estero Community Park and we are going to buy a great present for every child whose family is struggling from this chapter. Santa will be there with all his elves, there will holiday snacks, Christmas crafts for all the kids, lots of fun activities for the entire family. How this works is if you know of a Estero River Chapter member who is struggling with a child or children 16 or younger (members grandchildren also) please get the BOD their name, age, and a couple of ideas on what kind of special gift that Santa can give them at the party. You can do this anonymously if you want but I don't want to see any of our kids go without this year. I want to thank our Sunshine Lady Cindy Fowler for heading this Christmas Party up. Please call her if there is anything that you can do to help her out or want to contribute in any way. Folks, we cannot do this without your help. This is the only event that we do for others and those others are still ours so how can you say no. I am so grateful that Kevin and I have been able to keep our jobs. We are very lucky and we are also so aware of those of you out there that are not as luck as we. Yes we to struggle to pay the bills but at least we have steady income and my heart goes out to all who do not at his time. Let us help all we can with this event, food drive, and Christmas party. Call me or one of the Board anytime with whatever you can do to help.

Thank you

*Tammy Brickley*

# SUNSHINE ON MY SHOULDER 23

Hi Kids!!!!

We sent a card to Allysa, she had surgery over this past weekend, she's only 2 yrs old, she is the daughter of our secretary; Jay and Pete.

We sent a card for Cheyenne who had a Liver transplant, she's only 9 yrs old, please everyone, keep her in your prayers. And please don't forget the Benefit for her on Jan. 3rd.

We sent a card to our very own Michelle 'Beautiful' Beaken, she has not been feeling good all week, she is getting a little better now.

We sent a card to 'Bear', he just can't get himself together, one minute he's doing ok, the next minute he done did something else!!! Just stop it now!!! I think I need to send Sheila Bear a card just for putting up with Bear, whatcha think?

I want to let everyone know that Lynn Dillard's Dad is up and getting around now and doing better.

I also want to let everyone know that even though Michelle has been very sick; she also has quit smoking!!!!

Now, I just want to take a minute to remind everyone about our Special Family Christmas Party.....

It's all about our own families that are struggling, we want to make sure that our members who are struggling and have a child or children, (or grandchildren), under the age of 16 get a special gift from Santa himself. We are planning a special party, we want to make sure 'our' kids have a special day. You can contact any board member, (the numbers are in the front of your newsletter), with the name, age, and maybe a couple of ideas what the child or children would like from Santa, we will need this information by Nov. 19th, so we can get the list to Santa in time. The Party will be at Estero Community Park on Dec.12th, (Saturday), at 1:00pm. This will be a relaxing and fun day for all, thank-you for all your help.

I know it's hard but,....

Everybody have a nice day and keep smiling, it'll make you feel good.....really!!! Cindy 'Sunshine' Fowler

Dear Fellow ABATE Members,

Putting our Riding Experiences into Words

Have you ever experienced that when we are trying to describe our riding experiences, it can become sometimes difficult to convey what we have experienced, into the words we are searching for? What is even more frustrating is the ability to truly convey the excitement of those experiences to a non-rider.

You may carefully craft your words and spend time creatively describing a motorcycling experience to a non-rider. Then, the only response you get is a bland, wimpy, and polite, "That's nice." Then, you have the feeling that "they just don't get it" or they're not interested. One of the reasons we attend many motorcycling events and particularly Bike Nights is that we can spend hours with those who understand and appreciate our motorcycling experiences and the types of lifestyles that go along with them.

We believe that many of us have a difficult time in expressing ourselves and/or what we are going through before God. And, we think that He does not appreciate what we are fully experiencing in life. If we are experiencing things that are not pleasant, the frustration sometimes comes out in swearing, cursing, or taking the Name of the Lord in vain.

In Psalm 55, David lets God know, in detail, his feelings after being betrayed by a very close friend. He tells God about the emotional pain and the physical pain of his heart pounding inside him from fear. In reading the Psalm, it appears he is searching for the words. But, in the end, it seems that no matter what the words were, spoken or not spoken, David has placed his trust in the Lord God by saying that he has, "...cast his burden upon the Lord, who has sustained me..." (verse 21). Throughout the Bible, men/women are always sharing "the good, the bad, and the ugly" of what is going on in their lives with the Lord. God made us. He knows everything about our physical and emotional states. He understands us. He cares for us. No matter what we convey to Him, He is always there and will listen better than any human ever could. We need to remember that we are made in the image of God and that God became man through His Son, Jesus. Jesus experienced all the pain and suffering that any human could. There is nothing too big for God!

We may not be able to put all our riding experiences and experiences of life into words

. But, God fully understands, is interested, and cares!

If you wish to have a full time advocate before our God, always interceding on your behalf, will you take God's Son, Jesus into your heart and life? . Please pray, **"Dear God, the God of Abraham, Isaac, and Jacob, my heavenly Father, I confess that I am a sinner and have been separated from You. I ask forgiveness of my sins. I repent and accept this gift of repentance and I wish to be free in you. I confess with my mouth that your son Jesus is my Savior and died for me. I believe in my heart that You raised Him from the dead. I receive Jesus into my heart and ask Him to become the center of my life. I ask, in the Name of Jesus. Amen."**

Blessings,

Pastor Tom (Estero River ABATE Life Member and Southwest Chapter Chaplain) and Kathy (SW ABATE Life Member)-

## We Want Your Opinion

We are starting another ABATE year with a new Board of Directors. Estero River Board of Directors volunteer their time and money and hard work so that this chapter runs smoothly, I want to ask each of you to answer a one question and give your answer to any Board member. All contact info is on the inside front cover. Here is the question:

If you could change (or add to) something about this chapter, what would it be?

All comments will be brought to the board and if you want to be present when your comment is reviewed, let us know and we will let you know what meeting to attend. Your participation is greatly appreciated. Our goal this year is the same goal to help this chapter grow and thrive. Remember any Board of Directors is only as good as its members. Thank you for your support.

Relay for Life is April 9th and 10th this year. If you are interested in being a part of the relay team, please call me. I would also like to enlist a co-captain for the 2010 Relay, if you are interested please call me.

If you have a business, or if you think your workplace or a place you frequent would be interested in sponsoring us or putting a collection can up, please let me know. Also let's get some luminaries' bought so we can light up the track again this year. If you are a survivor there are special things for you so please let me know. I do realize some of you do not want to be recognized and I respect that choice, but if you can volunteer, please do so. I would like to have a team together by Oct 1st. I have 5 people volunteer do far, I need 10 more. Let's show SW Florida that Biker's care and Estero River Rocks! That's all for Relay for now, check your Newsletter for updates.

The next thing I want to bring up is Bike Tickets. I think everyone on the board has some, but if not call me and I will make sure you get to buy yours. At Bike Week we will give away a **2010 HD FXD Dyna Super Glide**. Motorcycle ready to ride, sales tax, federal withholding tax, tag & title all PAID. Second prize is a leather jacket and third prize is a Harley clock.

**WEBMASTER REPORT by Robin "Alaska" Hall**

Well the web site is up and running now. I hope you like the color scheme I have come up with. Also I spoke with Lockdown, our State Webmaster, in regards to the board having assigned email addresses, he told me for the time being to use our personal email addresses as the State is back logged on getting emails re-done and would let me know when we can do this.

All Images need to be sent to me in their original format. I will do all necessary editing for web site placement. We need current photos of the new Board of Directors, the exterior and interior of the San Carlos Country Club, the Trophy Case, Ceiling Panel and the Owners of the SCCC for use on the web site.

Currently we have the following pages on our web site:

- **Homepage** - Contains a photo of SCCC for the time being. I want to replace that with a photo of the new BOD. It also has a brief description of who we are and what we are trying to accomplish.
- **Board** - this page contains a complete list of our board members along with their email address if applicable and phone number.
- **Classifieds** - We have two ads so far. Each ad can have one image along with a description including contact information. It is divided into 2 sections at present, the first being For Sale the second being Items Wanted. There is no charge for the ads.
- **Events** - This lists all upcoming events we and other chapters as well as the State are sponsoring. It also contains links to each of the flyers, if available, for these events.
- **History** - This page is still under construction due to the fact that I need more information from Kevin and Diane. Once I have this info I can complete this page.
- **Legislative** - This contains the latest information in brief format from the State regarding ongoing bills, etc. It also contains links to the State web pages regarding those topics and goes into further detail.
- **Links** - This is a listing of interesting links that have been pre-approved by the BOD.

- **Membership** - This is one of Michelle's pages (she has two!). It contains links to the Chapter's and the State's Membership Applications. Michelle said she would be sending me an update for this page to give it that "personal touch" we all expect from her... J
  - **Memorial** - This page is dedicated to our fallen brother's and sister's. I only have 8 people listed on there and I know there are more so please contact me ones I don't have and their photos.
  - **Newsletter** - this contains copies of most of our newsletters. This is Michelle's other page and she said she will be getting me the missing issues as soon as possible.
  - **Photos** - this is by far our largest area of the website. At this point there are a total of 1411 images of events from 2008 and 2009. As I receive the photos I go ahead and upload them. It's broken down into several albums with the event as the name of each album.
  - **Products**- This page is under construction. The plan is to have all the items we sell listed on there with a "store front". This will take some time getting completed so bear with me.
- Safety** - This of course is Tammy's page. Tammy said she will be updating it soon and for now it has some basic safety info and links to our State's Safety pages.

All pages on our site contain hit counters but only one is visible, that is on our Homepage. I will be using these hit counters to determine what pages are most popular and if there are any problems with pages. I'll be generating weekly reports for the board to view to keep them informed on the success of our web site.

In the future, in addition to the pages we have now, I suggest adding an UPDATE page, a forum and chat room for use by our members, a game page that has puzzles and games for our ABATE Kids to play with.

Here is a description of each of these suggestions:

**Forum** - This is basically a community bulletin board which is used as a storage area full of information on as many topics as you want. It also allows for discussion of any topic. Once discussion is finished the topic can be locked but still available for our members to refer back to. The Forum will also be set up with a search feature allowing the visitor to just put in a particular word or phrase and it will bring up all relevant topics.

## Website

The Forum also allows members to email each other. The Forum will be separated into two areas, Guest and Members. Anyone visiting our site can use the Guest area but you will be required to be a member in good standing in order to use the Members area. Members wanting to use the Forum will be required to "register". Some suggestions for topics could be: Motorcycle Care 101; How do I contact my Legislature?; Florida ABATE Chapters; etc. The Board would have to review topics before they are presented to members and guests.

**Update** - This page is reserved for the President and/or Vice President. They will be in charge of getting this info to me. This will be one of our most important pages as it will contain urgent news about Volunteers needed or items needed for specific upcoming events and who they need to contact. It can also notify members of any member involved in an accident, deaths and immediate memorial/benefit runs planned.

**Chat Room**- This page will contain access to a live chat room on the internet allowing our members to "chat" with each other as a group or privately. Visitors wanting to use the Chat Room will be required to register.

**Games** - this is pretty much what it says it is. It will contain games such as hang man, tic-tac-toe, puzzles, etc.

And finally, anyone wanting to post an ad, send me photos for our albums, have photos for the memorial or anything related to the web site can email me at [shalara\\_wow@yahoo.com](mailto:shalara_wow@yahoo.com) or call me at 239-826-5637.

**Help us help others. Thank you**

Hello everyone,

There is a bike wash at the SCCC on October 18th, call 239-267-0500 for more information. We also have a bikers versus brainers coming up in November as well as our Pilgrims Pride Run following the chapter meeting in November. Then comes our Birthday Party Dec 5th as well as the Christmas party for the kids Dec 12th. As you can see we have a lot coming up and if you can help in anyway please step up. We will need food for the Pilgrims Pride run and the birthday party. Contact any Board member if you can help. Please keep reading your newsletter for updates and events. Don't forget the contest for membership, deadline for that is December 5th. Winners will be announced at the Birthday Party.

Please remember that all reports are due at the chapter meeting, except the chapter minutes and those should be turned in the next day. I am between a rock and hard place, I need some of these reports for the newsletter every month. When I have to wait for them, the newsletter is late. If I don't wait for them the newsletter is incomplete. So please get your reports to me on time.
