ABATE of Florida, Inc.

WHO WE ARE

We are a non-profit organization of motorcycle enthusiasts from all walks of life. We lobby and educate the government and the general public to promote motorcycling in a safe and positive image. We endeavor to enlist the cooperation and participation of all organizations and individuals that share a similar interest in preserving our American tradition of FREEDOM. We promote motorcycle safety, training, & political awareness. We ARE NOT A CLUB OR A GANG. We fund our work through toy runs, poker runs, campouts, and other motorcycle activities. We are your neighbors & friends who work, pay taxes, and get involved with our community. We serve and support our country and believe in freedom. We use all legal means to protect our rights without infringing on the rights of others.

OUR GOALS

To become a powerful and viable political force in legislative matters concerning the motorcyclist.

To promote the safe riding habits without infringing on individual freedoms.

To motivate the bikers to write letters to their legislators before, during, and after the legislative session.

To furnish our members with a newsletter to keep all bikers informed in regards to upcoming legislation.

It is imperative that drivers understand the proper and safest way to share the road with motorcycle riders. Recognizing the need, ABATE of Florida, Inc. created the "Motorcycle Safety Awareness Program" to educate the public and help prevent fatalities and crashes and to help save lives. Also known as MSAP, it was developed and copyrighted by ABATE Of Florida, Inc .

Abate of Florida, Inc.'s commitment is strong and we continued to improve the program and expand our reach. With now more than 900,000 motorcyclists coming in and out of the State of Florida the need to reach more of the driving public is even greater.

Trained members of local ABATE chapters, from the Panhandle to the Keys present the MSAP program and provide valuable insight and information necessary to make the roads safer for everyone. We are continuing our efforts to develop more outlets. We are united in our efforts to teach everyone to "Watch for Motorcycles".

ABATE of Florida, Inc. and your local ABATE chapter offer the Motorcycle Safety Awareness Program to any organization or school free of charge. For more information or to arrange for a presentation, please call the state office 386-943-9610 or your local Chapter, Estero River 239-825-5848

EMERGENCY TEAM

Thanks to these individuals who have stepped up to volunteer to become part of the chapter's emergency team. These members and friends will come to you and assist you in transporting your motorcycle, if it breaks down in the area. They have trailers to accommodate you in an emergency situation. If you are interested in volunteering please contact Teddy Simons by email at sscreenprinter@aol.com so we can add you to the list. Thank you for your support.

Hello Brothers and Sisters

The Tally run was a good one a lot of bike made the trip.

The weather was great also!

The first round of nominations are over. Thank you to all that stepped up. I hope the people that were picked for the new board will step up and take the position and chance to change things. Now is the time to make the change not just talk about it and not say it should have been that way. I ask the members to rally as I have heard and keep this Chapter going. Come on out to the next chapter meeting and help pick (Your) new board

There is a fun run to the keys may 10th and coming home on the 12th. There is at least 4 bikes going and we are looking for a few more. It should be a really fun time and a beautiful ride.

Rainy season is well on its way so be safe out there

After much deliberation I have regretfully come to the unfortunate decision that I will not run for another term. This is a decision I have struggled with since August. As of June I will no longer hold any position on the board. I have not made this decision lightly.

I have found myself remiss in my duties. I have maybe been to six board meetings in the last two years; I do not go to any bike nites; and I find myself anxious to leave events early. There are also personal reasons. I will not be able to even preform minimal duties with the coming term.

This is my fifth term as products coordinator. The time has come for new blood with new ideas. I have gone stale. I need a break. The chapter members are being given plenty of time for someone else to step up to the position.

Although I will not hold any position at this time, I will be willing to assist at events. I thank everyone for your support these last five years.

Respectfully yours,
Lynn Dillard

Newsletter, Webmaster, and State Delegate

The Elections are coming up and for personal reasons I will not be seeking any positions on the 2013-2014 board of directors. Anyone wishing to run for either the Newsletter position or the Webmaster position please schedule some time with me prior to the elections to find out what is involved. I will not be available after the elections for any future board business. Newsletter is created in Microsoft Publisher and the chapter will provide a copy to you. The web page has been designed and run with Adobe Dreamweaver and the chapter does not own a copy of this software, it runs around \$350 and I purchased the copy I have myself. These positions are not that involved but do take a certain amount of art and computer skills. This is not for someone who only uses a computer for email and cards. You must have a current computer to run these programs. If you are interested email me with your contact info at sscreenprinter@aol.com and I'll call you.
